

***** III ANNOUNCEMENT *****

REGISTRATION - DESK

Workshop registration desk will be open

- Tuesday April 17th from 18:00 at the IAA (see map on the booklet)
- Wednesday April 18th from 8:30 to 13:00 at the workshop location in the Palacio de los Condes de Gabia (see map on the booklet)

WORKSHOP LOCATION - LECTURE HALL

Venue

The Workshop will be held at the Palacio de los Condes de Gabia, in the historic neighborhood of the "Realejo" at the center of Granada.

Once inside the Palacio, the workshop lecture hall is located to the left of the patio, next to the staircase, and it will be clearly indicated for you.

Coffee breaks

All the coffee breaks will be served at the historic cloister of the nearby college "Santa Cruz la Real" (40 meters from the Palacio Condes de Gabia).

This College was founded as a convent in XVth century under the sponsorship of catholic queen and King Isabel and Fernando. This cloister is a national monument.

FINAL PROGRAM

The final program of the Workshop is available from the web page, and also in the booklet of abstracts.

ACCOMMODATION

A list of Hotels in the city is available in the web page. Please do not leave your reservation till the last minute since this is high season in Granada.

SOCIAL EVENTS

-Wednesday April 18th

Night visit to the Alhambra (for participants already booked)

Meeting point: main entrance of Palacio de Carlos V at 21:45

-Thursday April 19th

Workshop dinner at the Carmen de Morayma (all invited) appetizers from 20:30 (The Carmen is in the Albayzin neighborhood, facing the Alhambra. See location in the map below).

If you have a special food requirements (e.g. you are a vegetarian etc.) please let us asap (metals3d@iaa.es).

-Friday April 20th

Tapas tour farewell: end of Workshop 14:30 (all invited)

TALKS

Laptops: a PC & Mac with the most frequently used software (Powerpoint, Keynote, Acroread, ...) will be ready for the presentations. The organization does not recommend at all using your own laptop for the presentation.

VERY important: all the files with presentations should be provided to the organization in advance, in order to be copied in the laptop by the day before the talk is scheduled. This is critical in order to minimize time losses since the program is tight.

Please provide your files to the LOC and collaborate with the organization. Speakers of the 1st session please contact metals3d@iaa.es or to amorin@iaa.es to provide your files, via email or ftp, in order to be copied before the Workshop.

Duration of talks:

15 mins = 12 mins talk + 3 mins questions

20 mins = 15 mins talk + 5 mins questions

30 mins = 25 mins talk + 5 mins questions

Please follow these guidelines for the duration of your talk so as to leave enough time for questions.

POSTERS

Standard poster size is allowed (approx A0, 90 cm x 120 cm) and will be displayed at the Patio of the Palacio.

Poster session

There is a poster session scheduled Friday April 20th at before the general discussion.

All posters can be presented in this poster session by their authors with a 2 mins presentation plus 2 mins. for questions.

The organization kindly encourage authors of all poster papers to be presented in the poster session. It is a very important aspect of this workshop to promote wide discussion of all the results presented.

TRAVEL

Important:

If you travel with IBERIA please check your flight is ok since there is an announcement of a pilot strike all Mondays and Fridays during the next weeks.

From the airport to Granada city:

-The fastest way: pick up a taxi, it costs some 25 euro.

-The cheapest way: there is a bus connecting the airport with the city. It costs around 3 euro, though it would take much longer to reach the center of the city.

INTERNET access

There will be a possibility to use a wireless (WiFi) Internet access in the hall, though the WiFi connection is still to be tested.

Detailed information about Internet access will be provided in an announcement.
